SPORTS

The fabulous history of the Olympic Games !

Women participated for the first time to Olympic Games in 1990 in Paris. There were 997 athletes including 22 wowen .

Pierre de Coubertin is the founder of the modern Olympic Games. Inspired by ancient Games, Pierre de Coubertin initiated his project to renovate the Olympic. The five rings of the Olympic Games represent the five continents united by Olympism. The five colors represent all nations (green represents Oceania, black represents Africa, yellow represents Asia, blue represents Europe and red represents America).

The motto is composed of three Latin words : Citius, Altius, Fortius. That means: Faster, Higher, Stronger. Henri Didon was the first to say these words during a ceremony in 1881. In fact, France won the most medals in its history during the 1900 Olympic Games in Paris, with 102 medals including 27 gold medals.

Beijing 2022 Olympic Winter Games

This year the Olympic Winter Games were in Beijing in China but the first Olympic Winter Games were in Chamonix in 1924, many years after the first Olympic summer games, in Athens in 1896. In 2022, the winner is Norway with 37 medals (16 gold medals, 8 silver medals and 13 bronze medals) but the USA has 25 medals (8 gold medals, 10 silver medals and 7 bronze medals) . After, France has 14 medals (5 gold medals, 7 silver medals and 2 bronze medals) and Canada ends just after France with 26 medals but with 4 gold medals, 8 silver medals and 14 bronze medals It's a shame for them ! In 2026, the Winter Olympics will return to Europe and will take place in Milan and in Cortina d'Ampezzo, Italy. Before that event, the best athletes of the world are going to try to win more medals. It's a great challenge for all of them ! Every Olympic Game has a mascot and this year the mascot is Bing Dwen Dwen. He is a cute panda and he was the star of the Olympic Winter games, like Soohorang in 2018 or Magique in 1992.

CELEBRATIONS

Let's discover popular celebrations in English speaking countries

Saint Patrick's day

Irish people celebrate St Patrick's Day every year on March 17th. They gather in the streets , listen to Celtic music, dance , and dress up in green,the colour of Ireland and the shamrock , the symbol of Ireland .

The biggest St Patrick's day parade takes place in Dublin.

Every March 17th, Irish people from all over the world gather to celebrate Saint Patrick's Day.This day refers to the anniversary of the death of Saint Patrick in the year 461. Today , he is the patron saint of Ireland .In the 5th century AD , he converted the population to Christianity and used the clover to represent the Holy Trinity.

"Maewyn Succat" is better known as Saint Patrick's Day. Patrick had the idea of using a 3-leaf clover to illustrate the Holy Trinity. According to him, each leaf represents an entity: the Father, the Son, and the Holy Spirit. A beautiful cake for mother's day

Mother's day is celebrated on 8th May in the USA , Canada , New Zealand and Australia, but in the UK, Mother's Day is on Sunday 27th March this year, like Ireland.

Why do we celebrate Mother's Day ?

his celebration was born in the time of ancient Greece. Every spring, the Greeks used to cult the goddess Rhea, the mother of the Gods. But , Mother's Day became a true celebration in the USA in 1907.

What do people for mother's day?

Many people give a gift , cakes , flowers , chocolate and jewelry to their mother. Special cakes are also available in many stores for this special event . Children also make special presents for their mums at school . This year, it is celebrated on April 17th during the second week of the spring holidays.

For Easter, British children don't go to school, it's a public holiday they spend with their family. The kids participate in Egg Rolling from the top of a hill: it's an egg race that involves rolling pre-cooked and hard-boiled eggs.

Easter is a very popular holiday!

Easter comes from the word: Eostre. In the USA, the White House has opened its gardens and lawns to the public since 1878. Every year,on Easter Monday, people take part into the traditional Easter Egg Roll. The goal of this game appeared in the UK: using a stick or a spoon, roll a hardboiled egg and be the first to cross the finish line. For Easter, there are two public holidays in England . One on Good Friday another on Easter Monday. English and Welsh people thus have a long weekend to spend and share time with their family .

In England, children go from houses to houses to look for Easter eggs.

BOOKS

The logo of the book

We will talk about two books : "Warrior Cats" and "One of us is lying".

<u>"Warrior cats" and "One of us is</u> <u>lying"</u>

"Warrior cats" is a very famous book in many country and many languages. Its writer is known by her nickname :Erin Hunter, but in fact, six writers work together. First, Kate Cary, Cherith Baldry and Victoria Holmes have worked together. Next, Tui Sutherland is coming, then Gilian Philip, and finally, Inbali Iserles. The first book was published in 2003, 19 years ago. Forty-two books have been published in English. More than 40,000 readers have enjoyed the series. It's a fantastic story and it's talking about clans of wild* cats. For generations, four wild cat clans have shared the forest but the Thunder* Clan has been more and more endangered. The sinister Shadow Clan has become more powerful with the time.

"One of us is lying" is talking about five characters, Bronwyn, Simon, Nate, Cooper and Add. Their teacher found phones in their bags (phones are banned in the school). Later, they understand that their phones are not theirs and that someone did a prank* on them. After, they heard a car crash. Then, Simon got an allergic reaction because of the car crash. Everyone believes that somebody intented to kill Simon. They begin* to suspect the other characters because Simon was the creator of a gossip* app named « About that » and that talks about the personal lives of the students and their dark secrets. That's why, the four characters may have killed Simon for this reason. Who wanted to hide theirs secrets ? This could explain Simon's mysterious death ...
